

2009 SWCS Student Chapter Member Scholarships

The Wisconsin Chapter of the Soil and Water Conservation Society is seeking nominations for \$500 scholarships. Recipients must be a member in good standing of a recognized SWCS student chapter located in Wisconsin. Application information will be sent to eligible SWCS student chapter advisors. The deadline for applications is February 12, 2010. Scholarship categories include:

Student Chapter Scholarship: up to 1 \$500 scholarship may be awarded to worthy applicants from each of the recognized SWCS student chapters in Wisconsin.

Mulcahy Scholarship – Dedicated to the memory of Leo Mulcahy, Past President of the SWCS Wisconsin Chapter in recognition of his significant efforts and contributions to environmental and conservation education in Wisconsin. A \$500 scholarship may be awarded to an applicant deemed to have demonstrated outstanding achievements related to soil and water conservation education or outstanding academic achievement.

Memorial Scholarship – Dedicated to the memory of outstanding SWCS Wisconsin Chapter members who dedicated their careers to soil and water conservation and provided leadership through a demonstrated conservation ethic. A \$500 scholarship may be awarded to an applicant deemed to demonstrated a substantial contribution to their SWCS student chapter.
